

Year 8 Homework Schedule Spring 2018

SCIENCE

Topic Title	Topic Information
Motion and Pressure	Speed calculations Distance time graphs
	Density Pressure calculations
Electricity and Magnetism	Circuit components and Electric current Series circuits and Parallel circuits
	Potential difference / volts Resistance
	magnetism electromagnets
Adaptation and inheritance	Competition an animals and plants Adaptations in animals and plants
	Discontinuous, continuous variation Natural selection and Evolution
	DNA, genes, chromosomes Genetic crosses
DIRT and Assessment	Revision – Make a revision game
	Revision exam questions on all modules

PLEASE NOTE: Topics listed for each term may be subject to change
