Safeguarding Policy

INTRODUCTION

1.1.   Safeguarding children is everyone's responsibility. Everyone who comes into contact with children and families has a role to play.

1.2.   Our pupils' welfare is our paramount concern. The governing body will ensure that our school will safeguard and promote the welfare of pupils and work together with other agencies to ensure that our school has adequate arrangements to identify, assess and support those children who are suffering or likely to suffer harm.

1.3.   Our school is a community and all those directly connected, staff members, governors, parents, families and pupils, have an essential role to play in making it safe and secure.

1.4.   This procedure document provides the basis for good practice within the school for Safeguarding work. It should be read in conjunction with the Wirral Local Safeguarding Board Safeguarding Policies and Procedures. These are in keeping with relevant national procedures and reflect what the Board considers to be safe and professional practice in this context.

2   OUR ETHOS

2.1   We believe that our school should provide a caring, positive, safe and stimulating environment that promotes the social, physical, spiritual and moral development of the individual child.

2.2   We recognise the importance of providing an environment within our school that will help children feel safe and respected. We recognise the importance of enabling children to talk openly and to feel confident that they will be listened to.

2.3   We recognise that all adults within the school, including permanent and temporary staff, volunteers and governors, have a full and active part to play in protecting our pupils from harm.

2.4   We will work with parents to build an understanding of the school's responsibilities to ensure the welfare of all children, including the need for referrals to other agencies in some situations.

3   SCOPE

3.1   In line with the law, this policy defines a child as anyone under the age of 18 years but in the case of SEN it is up to 25 years of age.

3.2   This policy applies to all members of staff in our school, including all permanent, temporary and support staff, governors, volunteers, contractors and external service or activity providers.

3.3   This policy applies to all students in this school.

4   **THE LEGAL FRAMEWORK**

4.1   Section 175 of the Education Act 2002 places a duty on governing bodies of maintained schools and further education institutions (including sixth-form colleges) to make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school. Section 157 of the same Act places a similar duty on non-maintained and independent schools, including free schools and academies.

4.2   Under section 10 of the Children Act 2004, all maintained schools, further education colleges and independent schools, including free schools and academies, are required to cooperate with the local authority to improve the well-being of children in the local authority area.

4.3   Under section 14B of the Children Act 2004, the Local Safeguarding Children Board can require a school or further education institution to supply information in order to perform its functions. This must be complied with.

4.4   This policy and the accompanying procedure have been developed in accordance with the following statutory guidance and local safeguarding procedures:

- *Working Together to Safeguard Children: A Guide to Inter-Agency Working to Safeguard and Promote the Welfare of Children, March 2015*

Working-Together-to
-Safeguard-Children2

- *Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, September 2016*

5   **ROLES AND RESPONSIBILITIES**

5.1   The school's lead person with overall designated responsibility for safeguarding is Miss Natalie Sullivan. We have a deputy safeguarding lead, Mr Jim Morris to ensure there is appropriate cover for this role at all times. **The responsibilities of the Designated Safeguarding Lead are described in Appendix A.**

The Designated Safeguarding Lead is on our school's leadership team and their role of Designated Safeguarding Lead is explicit in their job description. This person

should have the appropriate authority and be given the time, funding, training, resources and support to provide advice and support to other staff on child welfare and Safeguarding matters, to take part in strategy discussions and inter-agency meetings – and/or to support other staff to do so – and to contribute to the assessment of children.

5.2   The school has a **nominated governor, Mrs Jane Owens,** responsible for safeguarding to champion good practice, to liaise with the head teacher and to provide information and reports to the governing body.

5.3   The **case manager for dealing with allegations** of abuse made against school staff members is the head teacher. The case manager for dealing with   allegations against the head teacher is the chair of governors, Mrs Jane Owens**. The procedure for managing allegations is detailed in Appendix C.**

5.4   The **head teacher** will ensure that the policies and procedures adopted by the governing body are fully implemented and sufficient resources and time are allocated to enable staff members to discharge their safeguarding responsibilities.

5.5   The **governing body** is collectively responsible for ensuring that safeguarding arrangements are fully embedded within the school's ethos and reflected in the school's day-to-day practice.

5.6   **All staff members, governors, volunteers and external providers** know how to recognise signs and symptoms of abuse, how to respond to pupils who disclose abuse and what to do if they are concerned about a child.

6   SUPPORTING CHILDREN

6.1   We recognise that children who are abused or witness violence are likely to have low self-esteem and may find it difficult to develop a sense of self-worth. They may feel helpless, humiliated and some sense of blame. Our school may be the only stable, secure and predictable element in their lives.

6.2   We accept that the behaviour of a child in these circumstances may range from that which is perceived to be normal to aggressive or withdrawn.

6.3   Our school will support all pupils by:
*   ensuring the content of the curriculum includes social and emotional aspects of learning; Through PSHE and other curriculum contexts, pupils are encouraged to talk about feelings and deal assertively with pressures, are listened to, and know to whom they can turn to for help and advice
*   ensuring a comprehensive curriculum response to e-safety, enabling children and parents to learn about the risks of new technologies and social media and to use these responsibly;
*   ensuring that safeguarding is included in the curriculum to help children stay safe, recognise when they do not feel safe and identify who they might or can talk to;
*   providing pupils with a number of appropriate adults to approach if they are in difficulties;

- supporting the child's development in ways that will foster security, confidence and independence;
- encouraging development of self-esteem and self-assertiveness while not condoning aggression or bullying; (Our anti-bullying policy can be found on the school website)
- ensuring repeated hate incidents, e.g. racist, homophobic or gender- or disability-based bullying, are considered under Safeguarding procedures;
- liaising and working together with other support services and those agencies involved in safeguarding children;
- monitoring children who have been identified as having welfare or protection concerns and providing appropriate support.
- the school behaviour policy is aimed at supporting vulnerable pupils in the school. The school will ensure that the pupil knows that some behaviour is unacceptable but that they are valued and not to be blamed for any abuse which has occurred.
- liaising with other agencies that support the pupil such as Health Services, Wirral Social Care, Child and Adolescent Mental Health Services, Education Welfare Services, Special Educational Support Services, Youth Offending Service and the Educational Psychology Service.
- ensuring that, when a pupil who is the subject of a Child Protection Plan leaves, their information is transferred to the new school within 2 weeks and that the child's Social Worker is informed that the child has moved
- After 20 days absence if a child has moved and the new school is unknown the school will post details on the 'Pupil to Pupil' register.
- School will alert the authority if it is aware of any child being looked after under a Private Fostering arrangement. On admission to school, and at other times, the school will be vigilant in identifying any private fostering arrangement. There is further information about Private Fostering in Appendix C

7   SAFEGUARDING PROCEDURE

7.1   We have developed a structured procedure in line with *Wirral Safeguarding Children Board* which will be followed by all members of the school community in cases of suspected abuse. This is detailed in Appendix B.

7.2   In line with the procedures, the Central Advice and Duty Team (CADT) / Multi Agency Safeguarding Hub (MASH) will be contacted as soon as there is a significant concern.

7.3   The name of the Designated Safeguarding Lead will be clearly advertised in the school, with a statement explaining the school's role in referring and monitoring cases of suspected abuse.

7.4   We will ensure all parents and carers are aware of the responsibilities of staff members to safeguard and promote the welfare of children by publishing the policy and procedures on our website and by referring to them in our introductory school materials.

8   DEALING WITH A DISCLOSURE MADE BY A CHILD – ADVICE FOR ALL MEMBERS OF STAFF

8.1   ***If a child discloses that he or she has been abused in some way, the member of staff or volunteer should follow this guidance:***

•   Listen to what is being said without displaying shock or disbelief.
•   Only ask questions when necessary to clarify.
•   Accept what is being said.
•   Allow the child to talk freely – do not lead or put words in the child's mouth.
•   Reassure the child that what has happened is not his or her fault.
•   Do not make promises that you may not be able to keep.
•   Do not promise confidentiality – it may be necessary to refer the child to CADT / MASH
•   Stress that it was the right thing to tell.
•   Do not criticise the alleged perpetrator.
•   Explain what has to be done next and who has to be told.
•   Inform the Designated Safeguarding Lead without delay.
•   Complete the Safeguarding incident/welfare concern form and pass it to the DSL or Deputy DSL.

Dealing with a disclosure from a child and safeguarding issues can be stressful. Consider seeking support for yourself and discuss this with the DSL.

RECORD KEEPING

8.2   All concerns, discussions and decisions made and the reasons for those decisions **must** be recorded in writing.

8.3   We will continue to support any pupil leaving the school about whom there have been concerns by ensuring that all appropriate information, including Safeguarding and welfare concerns, is forwarded under confidential cover to the pupil's new school as a matter of priority.

DISCUSSING CONCERNS WITH THE FAMILY AND THE CHILD – ADVICE FOR THE DESIGNATED SAFEGUARDING LEAD

9.1   In general, you should always discuss any concerns the school may have with the child's parents. They need to know that you are worried about their child. However, you should not discuss your concerns if you believe that this would place the child at greater risk or lead to loss of evidence for a police investigation.

9.2   If you make a decision not to discuss your concerns with the child's parents or carers this must be recorded in the child's Safeguarding file with a full explanation for your decision.

9.3   It is important to consider the child's wishes and feelings, if age appropriate, as part of planning what action to take in relation to concerns about their welfare.

9.4   When talking to children, you should take account of their age, understanding and preferred language, which may not be English. It is also important to consider how an SEND child may need support in communicating.

9.5   How you talk to a child will also depend on the substance and seriousness of the concerns. You may need to seek advice from CADT / MASH or the police to ensure that neither the safety of the child nor any subsequent investigation is jeopardised.

9.6   If concerns have arisen as a result of information given by a child, it is important to reassure the child but not to promise confidentiality.

9.7   It is expected that you discuss your concerns with the parents and seek their agreement to making a referral to CADT / MASH, unless you consider that this would place the child at increased risk of significant harm.

9.8   You do not need the parents' consent to make a referral if you consider the child is in need of protection, although parents will ultimately be made aware of which organisation made the referral.

9.9   If parents refuse to give consent to a referral but you decide to continue, you need to make this clear to CADT / MASH.

9.10   If you decide to refer the child without the parents' consent, make sure to   record this with a full explanation of your decision.

9.11   When you make your referral, you should agree with CADT / MASH what the child and parents will be told, by whom and when.

10 SAFER WORKFORCE AND MANAGING ALLEGATIONS AGAINST STAFF AND VOLUNTEERS (This procedure is detailed in Appendix C, Section 4)

10.1 We will prevent people who pose risks to children from working in our school by ensuring that all individuals working in any capacity at our school have been subjected to safeguarding checks in line with the statutory guidance *Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, September 2016.* In addition to obtaining the DBS certificate described, anyone who is appointed to carry out teaching work will require an additional check to ensure they are not prohibited from teaching. See Appendix C, Section 9.
A check of any prohibition can be carried out using the Teacher Services' system that may be found here:
 https://www.gov.uk/guidance/teacher-status-checks-information-for-employers

11 STAFF INDUCTION, TRAINING AND DEVELOPMENT

11.1 All new members of staff, including newly-qualified teachers and teaching assistants, will be given induction that includes basic safeguarding training on how to recognise signs of abuse, how to respond to any concerns, e-safety and familiarisation with the safeguarding policy, staff code of conduct, Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, Part One, March 2016 and other related policies. There are mechanisms in place, such as safeguarding updates, to assist staff to understand and discharge their role and responsibilities as set out in Part one of Keeping Children Safe in Education. Staff should also read, "Working Together to Safeguard Children."

11.2   The induction will be proportionate to staff members' roles and responsibilities

11.3   The Designated Safeguarding Lead will undergo updated Safeguarding training every two years.

11.4   All staff members of the school will undergo face to face training (whole-school training) which is regularly updated and at least every three years. All governors must undergo governor specific online awareness training at least every two years. All staff will have access to WSCB multi-agency safeguarding training and e-learning.

11.5   Staff members who miss the whole-school training will be required to undertake other relevant training to make up for it, e.g. by joining another school's whole-school training.

11.6   The nominated governor for safeguarding will undergo training prior to or soon after appointment to the role; this training will be updated every three years.

11.7   We will ensure that staff members provided by other agencies and third parties, e.g. supply teachers and contractors, have received appropriate safeguarding training commensurate with their roles before starting work. They will be given the opportunity to take part in whole-school training if it takes place during their period of work for the school.

11.8   The Designated Safeguarding Lead will provide briefings to the school on any changes to safeguarding legislation and procedures and relevant learning from local and national serious case reviews. These will occur annually or more frequently when necessary.
https://www.wirralsafeguarding.co.uk/professionals/serious-case-reviews/

11.9   The school will maintain accurate records of staff induction and training.

12   CONFIDENTIALITY, CONSENT AND INFORMATION SHARING

12.1   We recognise that all matters relating to Safeguarding are confidential.

12.2   The head teacher or the Designated Safeguarding Lead will disclose any information about a pupil to other members of staff on a need-to-know basis only.

12.3   All staff members must be aware that they cannot promise a child to keep secrets which might compromise the child's safety or well-being.

12.4   All staff members have a professional responsibility to share information with other agencies in order to safeguard children.

12.5   All our staff members who come into contact with children will be given appropriate training to understand the purpose of information sharing in order to safeguard and promote children's welfare.

13   INTER-AGENCY WORKING

13.1   We will develop and promote effective working relationships with other agencies, including agencies providing early help services to children, the police and Children's Social Care. Early help means providing support as soon as a problem emerges at any point in a child's life, from the foundation years through to the teenage years.

13.2   We will ensure that relevant staff members participate in multi-agency meetings and forums, including child protection conferences and core groups, to consider individual children.

13.3   We will participate in serious case reviews, other reviews and file audits as and when required to do so by the Wirral Safeguarding Children Board. We will ensure that we have a clear process for gathering the evidence required for reviews and audits, embedding recommendations into practice and completing required actions within agreed timescales.

14   CONTRACTORS, SERVICE AND ACTIVITY PROVIDERS AND WORK PLACEMENT PROVIDERS

14.1   We will ensure that contractors and providers are aware of our school's safeguarding policy and procedures. We will require that employees and volunteers provided by these organisations use our procedure to report concerns.

14.2   We will seek assurance that employees and volunteers provided by these organisations and working with our children have been subjected to the appropriate level of safeguarding check in line with *Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, September 2016.* If assurance is not obtained, permission to work with our children or use our school premises may be refused.

14.3   When we commission services from other organisations, we will ensure that compliance with our policy and procedures is a contractual requirement.

15   WHISTLE-BLOWING AND COMPLAINTS

15.1   We recognise that children cannot be expected to raise concerns in an environment where staff members fail to do so.

15.2   We will ensure that all staff members are aware of their duty to raise concerns, where they exist, about the management of Safeguarding, which may include the attitude or actions of colleagues. If necessary, they will speak with the head teacher, the chair of the governing body or with the Local Authority Designated Officer.

15.3   We have a clear reporting procedure for children, parents and other people to report concerns or complaints, including abusive or poor practice.

15.4   We will actively seek the views of children, parents and carers and staff members on our Safeguarding arrangements through surveys, questionnaires and other means.

16   SITE SECURITY

16.1   All staff members have a responsibility to ensure our buildings and grounds are secure and for reporting concerns that may come to light.

16.2   We check the identity of all visitors and volunteers coming into school. Visitors are expected to sign in and out in the office visitors' log and to display a visitor's badge while on the school site. Any individual who is not known or identifiable will be challenged for clarification and reassurance.

16.3   The school will not accept the behaviour of any individual, parent or anyone else, that threatens school security or leads others, child or adult, to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse the person access to the school site.

17   QUALITY ASSURANCE

17.1   We will ensure that systems are in place to monitor the implementation of and compliance with this policy and accompanying procedures.

17.2   We will complete an audit of the school's safeguarding arrangements at frequencies specified by the Wirral Safeguarding Children Board and using the Section 175 online audit tool provided by them for this purpose. https://www.wirralsafeguarding.co.uk/professionals/section-11-175-audit/

17.3   The school's senior management and the governing body will ensure that action is taken to remedy without delay any deficiencies and weaknesses identified in child protection arrangements.

18   POLICY REVIEW

18.1   This policy and the procedures will be reviewed every academic year. All other linked policies will be reviewed in line with the policy review cycle.

18.2   The Designated Safeguarding Lead will ensure that staff members are made aware of any amendments to policies and procedures.

APPENDIX A
The role of the Designated Safeguarding Lead

1   MANAGING REFERRALS

1.1   Refer all safeguarding cases including **early help** to CADT / MASH and to the Police if a crime may   have been committed.

1.2   Identify any safeguarding issues relating to individual children, especially ongoing enquiries under section 47 of the Children Act 1989.

1.3   Act as a source of support, advice and expertise to staff members on matters of child protection and safeguarding.

1.4   Escalate inter-agency concerns and disagreements about a child's wellbeing. Further information on **WSCB Escalation Procedures is described in Annexe C**

1.5   Have responsibility to ensure there is a Key Adult for Operation Encompass and the point of contact for Child Sexual Exploitation

1.6   To ensure that the Local Authority are notified if children are persistently absent or missing from education

2   RECORD KEEPING

2.1   Keep written records of Safeguarding and welfare concerns.

2.2   Ensure a stand-alone file is created as necessary for children with safeguarding concerns.

2.3   Maintain a chronology of significant incidents for each child with safeguarding concerns.

2.4   Ensure such records are kept confidentially and securely and separate from the child's educational record.

2.5   When a child leaves our school, the Designated Safeguarding Lead will make contact with the Designated Safeguarding Lead at the new school and will ensure that the safeguarding file is forwarded to the receiving school within two weeks. We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery. Where a parent elects to remove their child from the school roll to home educate, the school will make arrangements to pass any safeguarding records to the Education Social Welfare Service.

3   INTER-AGENCY WORKING AND INFORMATION SHARING

3.1   Cooperate with Children's Social Care for enquiries under section 47 of the Children Act 1989.

3.2 Complete reports and attend, or ensure other relevant staff members attend, child protection conferences, core group meetings and other multi-agency meetings, as required.

3.3 Liaise with other agencies working with the child, share information as appropriate and contribute to assessments.

4   TRAINING

4.1 Undertake appropriate training, **updated every two years**, in order to
   - be able to recognise signs of abuse and how to respond to them, including special circumstances such as child sexual exploitation, female genital mutilation, fabricated or induced illness
   - understand the assessment process for providing early help and intervention, e.g. WSCB thresholds of need
   - have a working knowledge of how the local authority conducts initial and review child protection case conferences and contribute effectively to these; and
   - be alert to the specific needs of children in need (as specified in section 17 of the Children Act 1989), those with special educational needs, pregnant teenagers and young carers.

4.2 Ensure each member of staff has read and understands the school's safeguarding policy and procedures, including providing induction on these matters to new staff members.

4.3 Organise whole-school Safeguarding training for all staff members at least **every three years**. Ensure staff members who miss the training receive it by other means, e.g. by joining another school's training. The DSL must provide all staff members with safeguarding updates (for example, via email, e-bulletins and staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

4.4 Link with Wirral Safeguarding Children Board to identify appropriate training opportunities for relevant staff members and refer to the safeguarding issues listed on Page 12 of Keeping Children Safe in Education.

4.5 Ensure the school allocates time and resources every year for relevant staff members to attend training.

4.6 Encourage a culture of listening to children and taking account of their wishes and feelings in any action the school takes to protect them.

4.7 Maintain accurate records of staff induction and training.

WSCB Multi-agency training courses can be found here:

https://www.wirralsafeguarding.co.uk/courses/

5   AWARENESS RAISING

5.1   Review the safeguarding policy and procedures annually and liaise with the school's governing body to update and implement them

5.2   Make the safeguarding policy and procedures available publicly and raise awareness of parents that referrals about suspected abuse may be made and the role of the school in any investigations that may follow.

5.3   Provide an annual briefing to the school on any changes to safeguarding legislation and procedures and relevant learning from local and national serious case reviews.

6   QUALITY ASSURANCE

6.1   Monitor the implementation of and compliance with policy and procedures, including periodic audits of Safeguarding and welfare concerns files (at a minimum once a year).

6.2   Complete an audit of the school's safeguarding arrangements at frequencies specified by the Wirral Safeguarding Children Board.

6.3   Provide regular reports, to the governing body detailing changes and reviews to policy, training undertaken by staff members and the number of children with child protection plans and other relevant data.

6.4   Take lead responsibility for remedying any deficiencies and weaknesses identified in Safeguarding arrangements.

7   SUPERVISION AND REFLECTION

7.1   Working to ensure children and young people are protected from harm requires sound professionals judgements to be made. It is demanding work that can be distressing and stressful. It is therefore essential that staff involved in this work have access to advice and a robust process of reflection/ supervision to help them reflect upon and review their work.

7.2   The school will have a framework for providing an opportunity to staff who are working directly with vulnerable young people, particularly those who are being managed on a child protection, child in need or team around the family plan, to have regular access to an appropriate manager to talk through and reflect on their involvement with the child's case. A guidance document published by the Wirral Safeguarding Children Board for undertaking safeguarding reflection is published on the WSCB website and can be accessed here: https://www.wirralsafeguarding.co.uk/schools/

APPENDIX B
Safeguarding Procedure

1   DEFINITIONS

1.1   **Abuse:** a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others (e.g. via the internet). They may be abused by an adult or adults or another child or children**.**

1.2   **Children** are any people who have not yet reached their 18th birthday; a 16-year-old, whether living independently, in further education, in the armed forces or in hospital, is a child and is entitled to the same protection and services as anyone younger.

1.3   **Child protection** is part of safeguarding and promoting the welfare of children and refers to activity undertaken to protect specific children who are suffering, or likely to suffer, significant harm.

1.4   **Early help** means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years to teenage years.

1.5   **Harm** is ill treatment or impairment of health and development, including impairment suffered from seeing or hearing the ill treatment of another.

1.6   **Safeguarding children** is the action we take to promote the welfare of children and protect them from harm. **Safeguarding and promoting the welfare of children** is defined in *Working Together to Safeguard Children: A Guide to Inter-Agency Working to Safeguard and Promote the Welfare of Children (March 2015)* as:
- protecting children from maltreatment;
- preventing impairment of children's health and development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

All staff must have an awareness of safeguarding issues. Staff should be aware that behaviours linked to the likes of drug taking, alcohol abuse, truanting and sexting put children in danger.

All staff must be aware safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but not limited to: bullying (including cyber bullying), gender based violence/sexual assaults and sexting. Staff should be clear as to the school or college's policy and procedures with regards to peer on peer abuse.

1.7   **Significant harm** is the threshold that justifies compulsory intervention in the family in the best interests of the child. Section 47 of the Children Act 1989 states 'where the question of whether harm suffered by a child is significant turns on the child's health or development, his health or development shall be compared with that which could reasonably be expected of a similar child.'

2 CATEGORIES OF ABUSE

2.1 **Emotional abuse** is the persistent emotional maltreatment of a child such that it causes severe and persistent adverse effects on the child's emotional development. It may involve:
- making a child feel worthless, unloved or inadequate
- only there to meet another's needs
- inappropriate age or developmental expectations
- overprotection and limitation of exploration, learning and social interaction
- seeing or hearing the ill treatment of another, e.g. domestic abuse
- serious bullying
- exploitation or corruption

Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

2.2 **Neglect** is the persistent failure to meet a child's basic physical or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance misuse. Once a child is born, it may involve a parent failing to:
- provide adequate food, clothing and shelter, including exclusion from home or abandonment
- protect a child from physical and emotional harm or danger
- ensure adequate supervision, including the use of inadequate care givers
- ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

2.3 **Physical abuse** may involve hitting, shaking, throwing, poisoning, burning, scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

2.4 **Sexual abuse** involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening. Activities may involve physical contact, including penetration of any part of the body, or non-penetrative acts. They may include non-contact activities, such as involving children looking at or in the production of sexual images, including on the internet, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

There are three thresholds for and types of referral that need to be considered:

Is this a child with additional needs; where their health, development or achievement may be adversely affected? Practitioners should follow Wirral's Guide to Integrated Working, November 2015.

- Age appropriate progress is not being made and the causes are unclear or
- The support of more than one agency is needed to meet the child or young person's needs.

If this is a child with additional needs discuss the issues with the Family CAF trained practitioner in your school, the child and parents. You will need to obtain parental consent for a Family CAF to be completed.

Is this a child in need matter? Section 17 of the Children Act 1989 says:

- they are unlikely to achieve or maintain, or to have opportunity to achieve or maintain a reasonable standard of health or development, without the provision of services by a local authority.
- their health or development is likely to be impaired, or further impaired without the provision of such services.
- they are SEND.

If this is a child in need, discuss the issues with the Designated Safeguarding Lead and parents. Obtain their consent for referral.

Is this a child protection matter? Section 47 of the Children Act 1989 says:

- children at risk or who are suffering significant harm.
- children suffering the effects of significant harm
- serious health problems.

If this is a child protection matter, this should be discussed with the Designated Safeguarding Lead and will need to be referred to CADT / MASH by the school as soon as possible.

APPENDIX C   FURTHER INFORMATION

1   **Further information on Child Sexual Exploitation (CSE)**

Child sexual exploitation is also sexual abuse; it involves children and young people receiving something, for example accommodation, drugs, gifts or affection, as a result of them performing sexual activities, or having others perform sexual activities on them. It could take the form of grooming of children, e.g. to take part in sexual activities or to post sexual images of themselves on the internet.

Sexual exploitation can take many forms ranging from the seemingly 'consensual' relationship where sex is exchanged for affection or gifts, to serious organised crime by gangs and groups. What marks out exploitation is an imbalance of power in the relationship. The perpetrator always holds some kind of power over the victim which increases as the exploitative relationship develops. Sexual exploitation involves varying degrees of coercion, intimidation or enticement, including unwanted pressure from peers to have sex, sexual bullying including cyberbullying and grooming. However, it also important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse.

Teachers and school staff are more likely to see victims on a regular basis than almost any other professional. They will notice recurrent or prolonged absences and significant changes in behaviour. The use of a 'chronology' will enable these patterns to be identified. They are key to identifying children at risk and raise concerns at an early stage, to potentially halt the grooming process before sexual exploitation has begun. Teachers will highlight concerns about missing children as they may be at risk of child sexual exploitation.

Due to the nature of the grooming methods used by their abusers, it is very common for children and young people who are sexually exploited not to recognise that they are being abused. Practitioners should be aware that young people particularly aged 17 and 18 may believe themselves to be acting voluntarily and will need practitioners to work with them so they can recognise that they are being sexually exploited.

As much as possible it is important that the young person is involved in decisions that are made about them.

2 **Further Information on Female Genital Mutilation**

Female Genital Mutilation (FGM) comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences. Professionals in all agencies, and individuals and groups in relevant communities, need to be alert to the possibility of a girl being at risk of FGM, or already having suffered FGM.

2.1   Indicators

There is a range of potential indicators that a girl may be at risk of FGM. Warning signs that FGM may be about to take place, or may have already taken place, can be found on pages 16-17 of the Multi-Agency Practice Guidelines , and Chapter 9 of those Guidelines (pp42-44) focuses on the role of schools and colleges.

Section 5C of the Female Genital Mutilation Act 2003 (as inserted by section 75 of the Serious Crime Act 2015) gives the Government powers to issue statutory guidance on FGM to relevant persons. Once the government issues any statutory multi-agency guidance this will apply to schools and colleges.

2.2   Actions

If staff have a concern they should activate local safeguarding procedures, using existing national and local protocols for multi-agency liaison with police and children's social care. Mandatory reporting commenced in October 2015. These procedures remain when dealing with concerns regarding the potential for FGM to take place. Where a teacher discovers that an act of FGM appears to have been carried out on a girl who is aged under 18, there will be a statutory duty upon that individual to report it to the police.

2.3   Mandatory Reporting Duty

Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) will place a statutory duty upon **teachers, along with social workers and healthcare professionals, to report to the police** where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. It will be rare for teachers to see visual evidence, and they should not be examining pupils, but the same definition of what is meant by "to discover that an act of FGM appears to have been carried out" is used for all professionals to whom this mandatory reporting duty applies.

The Mandatory reporting duty commenced in October 2015. Teachers must report to the police cases where they discover that an act of FGM appears to have been carried out. Unless the teacher has a good reason not to, they should still consider and discuss any such case with the school's designated safeguarding lead and involve CADT / MASH as appropriate.

3   **Further Information on Preventing Radicalisation**

Protecting children from the risk of radicalisation should be seen as part of schools' wider safeguarding duties, and is similar in nature to protecting children from other forms of harm and abuse. During the process of radicalisation it is possible to intervene to prevent vulnerable people being radicalised.

Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. It can happen in many different ways and settings. Specific background factors may contribute to vulnerability which are often combined with specific influences such as family, friends or online, and with specific needs for which an extremist or terrorist group may appear to provide an answer. The internet and the use of social media in particular has become a major factor in the radicalisation of young people.

As with managing other safeguarding risks, staff should be alert to changes in children's behaviour which could indicate that they may be in need of help or protection. School staff should use their professional judgement in identifying children who might be at risk of radicalisation and act proportionately which may include making a referral to the Channel programme.

3.1   Prevent

From 1 July 2015 all schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 ("the CTSA 2015")
Schools must have regard to statutory PREVENT GUIDANCE issued under section 29 of the CTSA 2015.

Paragraphs 57-76 of the Prevent guidance are concerned specifically with schools' responsibility to the need to prevent people from being drawn into terrorism." This duty is known as the Prevent duty. It applies to a wide range of public-facing bodies.

The statutory Prevent guidance summarises the requirements on schools in terms of four general themes:
- risk assessment,
- working in partnership,
- staff training
- IT policies.

Schools are expected to **assess the risk** of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. This means being able to demonstrate both a general understanding of the risks affecting children and young people in the area and a specific understanding of how to identify individual children who may be at risk of radicalisation and what to do to support them. Schools and colleges should have clear procedures in place for protecting children at risk of radicalisation. These procedures may be set out in existing safeguarding policies. **It is not necessary for schools and colleges to have distinct policies on implementing the Prevent duty**.

The Prevent duty builds on **existing local partnership arrangements**. For example, governing bodies and proprietors of all schools should ensure that their safeguarding arrangements take into account the policies and procedures of Local Safeguarding Children Boards (LSCBs).

The Prevent guidance refers to the importance of Prevent **awareness training** to equip staff to identify children at risk of being drawn into terrorism and to challenge extremist ideas. Individual schools are best placed to assess the training needs of staff in the light of their assessment of the risk to pupils at the school of being drawn into terrorism. *As a minimum, however, schools should ensure that the designated safeguarding lead undertakes Prevent awareness training and is able to provide advice and support to other members of staff on protecting children from the risk of radicalisation.*

Schools must ensure that children are safe from terrorist and extremist material when **accessing the internet** in schools. Schools should ensure that suitable filtering is in place. It is also important that schools teach pupils about online safety more generally.

Further information and guidance is available on the WSCB website:

https://www.wirralsafeguarding.co.uk/radicalisation-and-extremism/

The Department for Education has also published advice for schools on the Prevent duty. The advice is intended to complement the Prevent guidance and signposts other sources of advice and support.

3.2 Channel

School staff should understand when it is appropriate to make a referral to the Channel team. Channel is a programme which focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. It provides a mechanism for schools to make referrals if they are concerned that an individual might be vulnerable to radicalisation. An individual's engagement with the programme is entirely voluntary at all stages.

Section 36 of the CTSA 2015 places a duty on local authorities to ensure Channel panels are in place. The panel must be chaired by the local authority and include the police for the relevant local authority area. Following a referral the panel will assess the extent to which identified individuals are vulnerable to being drawn into terrorism, and, where considered appropriate and necessary consent is obtained, arrange for support to be provided to those individuals. Section 38 of the CTSA 2015 requires partners of Channel panels to co-operate with the panel in the carrying out of its functions and with the police in providing information about a referred individual. Schools and colleges are required to have regard to Keeping Children Safe in Education and, as partners, are required to cooperate with local Channel panels.

4 FURTHER INFORMATION ON MANAGING ALLEGATIONS AGAINST SCHOOL STAFF

5 Further information on a Child Missing from Education

All children, regardless of their circumstances, are entitled to a full time education which is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education in their area.

5.1   A child going missing from education is a potential indicator of abuse or neglect. School and college staff should follow the school's or college's procedures for dealing with children that go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future.

5.2   Schools should put in place appropriate safeguarding policies, procedures and responses for children who go missing from education, particularly on repeat occasions. It is essential that all staff are alert to signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns such as travelling to conflict zones, FGM and forced marriage.
The law requires all schools to have an admission register and, with the exception of schools where all pupils are boarders, an attendance register. All pupils must be placed on both registers.

5.3   **All** schools must inform their local authority of any pupil who is going to be deleted from the admission register where they:

- have been taken out of school by their parents and are being educated outside the school system e.g. home education;
- have ceased to attend school and no longer live within reasonable distance of the school at which they are registered;
- have been certified by an appropriate medical practitioner as unlikely to be in a fit state of health to attend school before ceasing to be of compulsory school age, and neither he/she nor his/her parent has indicated the intention to continue to attend the school after ceasing to be of compulsory school age;
- are in custody for a period of more than four months due to a final court order and the proprietor does not reasonably believe they will be returning to the school at the end of that period; or,
- have been permanently excluded.

5.4   The local authority must be notified when a school is to delete a pupil from its register under the above circumstances. **Schools should contact the Admissions section: Tel: 0151 666 4600.** This should be done as soon as the grounds for deletion are met, but no later than deleting the pupil's name from the register. It is essential that schools comply with this duty, so that local authorities can, as part of their duty to identify children of compulsory school age who are missing education, follow up with any child who might be in danger of not receiving an education and who might be at risk of abuse or neglect.

All schools must inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more, at such intervals as are agreed between the school and the local authority (or in default of such agreement, at intervals determined by the Secretary of State).

6 FURTHER INFORMATION ON ESCALATION PROCEDURES

Headteacher/Safeguarding Lead in school is unhappy with the response or decision from another agency regarding the safeguarding of a child and attempts to resolve it have not been successful.

Within one day the Headteacher/Safeguarding Lead should contact David Robbins who will provide details of the manager of the service with which there is disagreement.
davidrobbins@wirral.gov.uk

Within one day the Headteacher/Safeguarding Lead makes contact with the manager of the agency. **Within one working week** attempts are made to resolve the disagreement.

If the disagreement is not resolved to the satisfaction of the Headteacher/Safeguarding Lead then he or she should inform the Consultant Headteacher **within one working week**:
Primary – Andy Davies
daviesa@wirral.gov.uk
Secondary – Phil Sheridan
philsheridan@wirral.gov.uk

The Consultant Headteacher will arrange to meet the appropriate WSCB agency representative.
Consultant HT will report back to the Headteacher/Safeguarding Lead who initiated the escalation.

If the Headteacher/Safeguarding Lead /Consultant HT are still dissatisfied with the outcome **within one day** they will escalate to David Robbins, WSCB Business Manager, who will inform the WSCB executive and Chair.

6.1   Forms should be completed and returned to David Robbins, WSCB Business Manager. Forms are embedded in this document:
http://wirrallscb.proceduresonline.com/chapters/p_esc_ch_soc.html

7 FURTHER INFORMATION ON PRIVATE FOSTERING

Private fostering is when a child under the age of 16 (under 18 if SEND) is cared for by someone who is not their parent or a 'close relative'. This is a private arrangement made between a parent and a carer, for 28 days or more. Close relatives are defined as step-parents, grandparents, brothers, sisters, uncles or aunts (whether of full blood, half blood or marriage/affinity).

Where schools and colleges have not been involved in making the arrangement but a member of staff or volunteer at a school or college becomes aware that a pupil may be in a private fostering arrangement, where a child under the age of 16 (or 18 if SEND) is provided with care and accommodation by someone to whom they are not related in that person's home, they should raise this in the first instance with the designated senior person for Safeguarding. The school or college should notify CADT / MASH of the circumstances, and CADT / MASH will check that the arrangement is suitable and safe for the child.
https://www.wirralsafeguarding.co.uk/private-fostering/

8 FURTHER INFORMATION ON ONLINE SAFETY

The use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation- technology often provides the platform that facilitates harm. An effective approach to online safety empowers a school or college to protect and educate the whole school or college community in their use of technology and establishes mechanisms to identify, intervene and escalate any incident where appropriate.
The breadth of issues classified within online safety is considerable, but can be categorised into three areas of risk:
• content: being exposed to illegal, inappropriate or harmful material
• contact: being subjected to harmful online interaction with other users
• conduct: personal online behaviour that increases the likelihood of, or causes, harm

8.1 Filters and monitoring

Governing bodies and proprietors should be doing all that they reasonably can to limit children's exposure to the above risks from the school or colleges IT system. As part of this process governing bodies and proprietors should ensure their school has appropriate filters and monitoring systems in place; together with appropriate testing mechanisms. Whilst considering their responsibility to safeguard and promote the welfare of children, and provide them a safe environment in which to learn, governing bodies and proprietors should consider the age range of their pupils, the number of pupils, how often they access the schools IT system and the proportionality of costs Vs risks.
The appropriateness of any filters and monitoring systems are a matter for individual schools and colleges and will be informed in part by the risk assessment required by the Prevent Duty.
Whilst it is essential that governing bodies and proprietors ensure that appropriate filters and monitoring systems are in place; they should be careful that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.

9 FURTHER INFORMATION ON PRE-APPOINTMENT CHECKS

All new appointments

9.1 Any offer of appointment made to a successful candidate, including one who has lived or worked abroad, must be conditional on satisfactory completion of the

necessary pre-employment checks.

9.2 When appointing new staff, schools and colleges must
- verify a candidate's identity. Identification checking guidelines can be found on the GOV.UK website;
- obtain (via the applicant) an enhanced DBS certificate (including barred list information, for those who will be engaging in regulated activity);
- obtain a separate barred list check if an individual will start work in regulated activity before the DBS certificate is available;
- the school needs to ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the Childcare (Disqualification) Regulations 2009.
- verify the candidate's mental and physical fitness to carry out their work responsibilities. A job applicant can be asked relevant questions about disability and health in order to establish whether they have the physical and mental capacity for the specific role;
- verify the person's right to work in the UK. If there is uncertainty about whether an individual needs permission to work in the UK, then prospective employers, or volunteer managers, should follow advice on the GOV.UK website;
- if the person has lived or worked outside the UK, make any further checks the school or college consider appropriate and
- verify professional qualifications, as appropriate.
- Carry out prohibition check for all staff with QTS

Further guidance can be found in Keeping Children Safe in Education Pg. 26

10 FURTHER INFORMATION ON SINGLE CENTRAL RECORD

Single central record

10.1 Schools and colleges must keep a single central record. The single central record must cover the following people:

- all staff (including supply staff, and teacher trainees on salaried routes) who work at the school: in colleges, this means those providing education to children; and
- The information that must be recorded in respect of staff members (including teacher trainees on salaried routes) is whether the following checks have been carried out or certificates obtained, and the date on which each check was completed/certificate obtained:
- an identity check;
- a barred list check;
- an enhanced DBS check/certificate;
- a prohibition from teaching check;
- further checks on people who have lived or worked outside the UK; this would include recording checks for those EEA teacher sanctions and restrictions
- a check of professional qualifications; and
- a check to establish the person's right to work in the United Kingdom.

10.2 For supply staff, schools should also include whether written confirmation that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, whether any enhanced DBS check certificate has been provided in respect of the member of supply staff, and the date that confirmation was received

10.3   Maintained school governors
Governors in maintained schools are required to have an enhanced criminal records certificate from the DBS. It is the responsibility of the governing body to apply for the certificate for any of their governors who does not already have one. Governance is not a regulated activity and so they do not need a barred list check unless, in addition to their governance duties, they also engage in regulated activity

10.4   The SCR shall be updated in the light of any further legislation
