

School Vision

Weatherhead to be one of the best schools in the country, renowned for its academic and teaching excellence and capable of encouraging and installing a world beating ambition in all its students, no matter what their background.

School Aims

- 1 To provide a relevant, stimulating learning experience that develops all Weatherhead students' enquiring minds, enriched by an extensive extra-curricular programme.
- 2 To encourage and develop self-confidence, self-esteem and self-discipline. To employ strategies aiming to ensure that each student attains the highest possible standards to secure their future economic well-being.
- 3 To equip all students with transferable skills required in a media-rich global environment.
- 4 To provide all students with an opportunity to take responsibility and develop leadership.
- 5 To utilise initiatives which enhance learning and teaching in order to develop the potential of students, families and the wider community.
- 6 To provide a safe, caring and stable environment where each student is encouraged to make a positive contribution to the school and wider community.
- 7 To enable Weatherhead students to develop an awareness and understanding of the needs of others within the school, together with the wider national and international community.
- 8 To use our status as a Teaching School, within the constraints of capacity, so as not to affect the efficiency of Weatherhead, to provide benefit to the wider education community through the provision of support, teacher training, leadership training and professional development.
