Science Technician

An outstanding opportunity at an outstanding School

A suitably qualified and motivated Science Technician is required to work in a team of four to support the teaching of Science across Key Stages 3, 4 and 5. The successful candidate would be expected to perform a range of duties including preparing experiments, lesson materials and ordering equipment and chemicals.

The Science department at Weatherhead High School is very successful and many students choose to study at A Level. The ability to work in a busy environment is essential as is the ability to work as part of a team. This role presents an excellent opportunity to work in a highly successful and supportive department and would suit technicians looking to develop their experience or graduates looking to prepare for entry to teaching in a school environment.

Weatherhead High School is an extremely successful school. We have recently been accredited 'World Class Schools' status (December 2018) giving us recognition that we have moved beyond our 'Outstanding' Ofsted status and have improved student progress, aspiration and achievement to such an extent that our students rival those of the best schools' nationally and internationally. We are the only non-selective school in Wirral and Merseyside to have been awarded this quality mark.

36 hours per week, Monday to Friday, 8.15 am – 4.00 pm, term time only.

Salary NJC points 5 - 6 salary £15,822 within the range £15,822 to £16,138 (actual)

For further details and an application form, please telephone the school or download the relevant files from www.weatherheadhigh.co.uk. A letter of application with the application form, including names and addresses of two referees, should be returned to the Headteacher, via post or email. Please note we are only able to accept application forms downloaded from our website.

Closing Date: Monday 24th June 2019

Weatherhead is committed to safeguarding the welfare of children and young people. An enhanced DBS will be required for this post.
