Beyond Outstanding

Beyond Outstanding is a bespoke leadership programme for middle leaders that has been run by Weatherhead since September 2010.

This year, the course will be led by Rachel Byrne, Assistant Headteacher and Andrew Newton, a former Deputy Headteacher and currently a leadership consultant, with contributions from our own members of SLT.

Beyond Outstanding recognises the crucial role that middle leaders play in secondary school improvement and the title of the programme encapsulates our school's drive for continued and sustained excellence.

Purpose of the Programme

- ◆ Identify existing leadership strengths and areas to develop
- ◆ Develop a clear vision for the team
- ◆ Raise confidence to lead and implement change
- ◆ Develop behaviours and strategies to enable teams to be even more effective
- ◆ Understand and apply some key models of leadership
- ◆ Practical support in dealing with challenging situations
