### *An outstanding opportunity at an outstanding School*

We are seeking to recruit a well-qualified and highly motivated graduate to join our highly successful curriculum area, for the academic year 2018/19, to cover a maternity leave, teaching across Key Stages 3 - 5. This post is open to NQTs and experienced teachers who are keen to join a high performing and popular department within the school.

Weatherhead High School is an extremely successful school. In our OFSTED inspection, we were judged as outstanding in every category. The report noted that "students make outstanding progress whatever their starting point or circumstances and the standards they achieve are significantly above national averages". In 2016 and 2017, the school achieved a positive P8 score, this year placing us in the top 18% of schools in the country. The school is oversubscribed on intake with a ten form entry each year at Year 7.

In 2014, Weatherhead became a Teaching School, and has been supporting neighbouring schools and Initial Teacher Training since. As part of the Peninsula Multi Academy Trust, Weatherhead is committed to a culture of excellence and we are looking for individuals who share that ethos

In 2015 we were shortlisted for the TES National Award for best Mathematics team in the country. The school has also received many awards including Arts Mark Gold, Centre of Excellence for Leadership (National College) and Cultural Diversity Quality Standard.

Through our work as a Teaching School we offer outstanding CPD and Leadership Training for all staff.
