

Topic Title	Topic Information
Energy <ul style="list-style-type: none"> • Energy costs • Energy transfer 	Food & fuels Energy resources
	Energy & power Energy adds up and energy dissipation
Earth <ul style="list-style-type: none"> • Earth structure • Universe 	The structure of the Earth Sedimentary and metamorphic rock
	Igneous rock The rock cycle
	The solar system The Earth
Electromagnets <ul style="list-style-type: none"> • Potential difference & resistance • Current 	Potential difference Resistance
	Series circuits Parallel circuits
	Current
Ecosystems <ul style="list-style-type: none"> • Interdependence 	Food chains Food webs
	Ecosystems – random sampling Ecosystems –transects
	Competition Predator Prey
DIRT and Assessment	Revision – Make a revision game Revision exam questions on all modules
