

Year 9 End of Year Exams Revised Timetable

08 June 2018

Dear Parent

Year 9 End of Year Exams 2018

At the end of this term students will be sitting end of year exams in English, Mathematics and Science.

These exams will take place on **Monday 25th and Tuesday 26th June** in the Sports Hall in formal exam conditions and all the students will have final revision sessions before these exams.

For the remainder of the week, students will start their non-core GCSE courses and will have a whole day for each subject.

On the reverse of this letter you will find a timetable detailing the sessions planned during this week.

This is a crucial stage in students' education as they move into their GCSE courses and these exams will be very important in enabling us to assess their progress at this stage.

Thank you for your co-operation and continued support in working with us to ensure that our students achieve their very best.

Please do not hesitate to contact me or the Head of Department if you have any queries.

Yours sincerely

D Gibson
Examinations & Premises Manager

Year 9 End of Year Exams Revised Timetable
