

Staff Wellbeing at Weatherhead High School

All staff at Weatherhead High School are encouraged to be involved in leading or supporting the extensive range of staff wellbeing activities. With a large staff we focus on offering a wide range of events to cater for the Physical, Social and Mental wellbeing needs of all.

The wellbeing provision is constantly changing and allows all staff to take control of their own wellbeing and be involved with others in the school community. The Staff Wellbeing committee meets to suggest new ideas, and further enhance the current calendar of events.
