## **Year 7 Homework**

### **2019-20**

**Based on the feedback that we received from students and parents from our homework survey, we have tried to ensure the following:**

- 1. There is more consistency in subjects that give homework.**
- 2. No homework is set in the subjects that should not be setting homework.**
- 3. No homework is set over a holiday period.**
- 4. Homework is not set when students are revising for tests (but revision work may be set).**
- 5. Homework is not set for the following day.**
- 6. All KS3 homework topics are listed, for each term, on the school website ([www.weatherheadhigh.co.uk/homework](http://www.weatherheadhigh.co.uk/homework)).**
- 7. The time to be spent on homework is specified, clearly, by all teachers.**

**From September, we will continue using:**

- 1. A section in the pupil planner that all students must complete, identifying the length of time it has taken to complete a piece of homework.**
- 2. Recommended resources for parents/carers to support student learning.**
- 3. Homework clubs set up by all faculty areas.**
