Weatherhead High School is an extremely successful school. We are accredited with 'World Class Schools' status giving us recognition that we have moved beyond our 'Outstanding' Ofsted status and have improved student progress, aspiration and achievement to such an extent that our students rival those of the best schools' nationally and internationally. We are the only non-selective secondary school in Wirral and Merseyside to have been awarded this quality mark.

The school consistently achieves significantly above the national average in examination results and has positive scores for both Progress 8 and Attainment 8. Through our work as a Teaching School and via the World Class Schools network we offer outstanding NQT & RQT Programmes, ongoing CPD for all staff as well as a Wellbeing calendar and sessions open to all. Weatherhead is committed to a culture of excellence and we are looking for an individual who shares that ethos.
