# Year 9 Homework

## 2023-2024

### The purpose of homework:

- To consolidate and reinforce learning.
- To help students prepare for the next lesson.
- To allow students to prepare and revise for tests.
- To encourage students to develop the skills and confidence to study on their own.

### What students should expect regarding homework:

- No homework will be set during a holiday.
- Homework will not be set for the next day.
- Students will be set up to 90 minutes of homework each day.

### How much homework will students receive each week?

- English and Science 2 x 30-45 minutes.
- Maths 1 x 60 minutes.
- MFL 1 x 30-45 minutes per week to include regular learning of grammar and vocabulary.
- History and Geography 1 x 30 minutes.
- Practical subjects may set some preparation work for students prior to a practical lesson.
- RE and Computing may set revision homework prior to end of term tests and end of year exams.

## Year 9 Homework

### 2023-2024

Based on the feedback that we receive from students and parents, we have tried to ensure the following:

1. There is more consistency in subjects that give homework.
2. No homework is set in the subjects that should not be setting homework.
3. No homework is set over a holiday period.
4. Homework is not set when students are revising for tests (but revision work may be set).
5. Homework is not set for the following day.
6. All KS3 topics are listed on the school website ([www.weatherheadhigh.co.uk/curriculum/KS3](http://www.weatherheadhigh.co.uk/curriculum/KS3)).
7. The time to be spent on homework is specified, clearly, by all teachers.

From September we will continue using:

1. A section in the pupil planner that all students must complete, identifying the length of time it has taken to complete a piece of homework.
2. Recommended resources for parents/carers to support student learning.
3. Homework clubs set up by all faculty areas.

## 2023-2024

- Below you can see how long you should be spending on your homework in each subject.
- The homework set by each subject may consist of one or more tasks.
- Teachers will specify how long each piece of homework will take, and students must record how long it took them in their planner.

Subject	Frequency	Time
Maths	Once per week	60 minutes
English	Twice per week	30 minutes each
Science	Twice per week	30 minutes each
Spanish	Once per week	30 minutes
History	Once per week	30 minutes
Geography	Once per week	30 minutes

# Year 9 Homework and Support Clubs

2023-2024

- Homework clubs operate on a 'drop-in' basis, so students are welcome to attend any time they are in need of support.
- Class teachers will occasionally ask students to attend a homework club should they feel it is necessary.
- Students who are struggling with homework should seek support from their class teachers in the first instance.

# Year 9 Homework, Assessment & Reporting Information

## 2023-2024

### How will students' progress be assessed?

- Teachers' regular marking of students' exercise books. Comments and targets set by teachers will guide students to make progress in their learning.
- End of term test in English, Maths, Science, Geography, History, Computing, RE and MFL subjects (please refer to the assessment calendar for the dates).
- End of year examination will take place in the summer term.

### When will students' progress be assessed?

#### Autumn Term:

- Parents' Evening takes place during this term and it is an opportunity to meet with your child's subject teachers.

#### Spring Term:

- You will receive a Progress Update that will inform you of the progress being made.

#### Summer Term:

- At the end of this term, you will receive an End of Year Report and your child's end of year examination results.

### Who should I contact if I need to discuss my child's progress?

- Miss Thomason - Year Leader
- Subject Leaders or Heads of Department
- Senior Leadership Team: Mr M Reid - Assistant Headteacher
