

Student Responsible Use Agreement (students and parents/carers)

Responsible Use Agreement: Information and Communication Technology AGREEMENT FOR STUDENTS AND PARENTS/CARERS

Student Name:

Form:

As a Weatherhead student I am responsible for the way I use and interact with information and communication technology in school and outside school as a member of the community.

I treat myself and others with respect.

I respect other people's feelings when I'm online.

I support my own learning with technology.

I take care of the school computers, laptops and tablets when I am using them.

I visit websites and use apps that are good for me and my learning.

I know the school monitors the use of school devices.

I only use my own login details.

I think about privacy before I post something.

I recognise other people's work and ideas.

I know not to use my personal electronic devices during the school day.

I stand up to inappropriate behaviour.

I report things that make me feel uncomfortable.

I keep myself safe online and never meet strangers in real life without the agreement and support of my parent / guardian.

I know that indecent images of anyone under the age of 18 are illegal in the UK. This also includes non-photographic pictures such as computer made animations, or those made with artificial intelligence (AI).
